

From the Office of Santa Claus

Dear Billy,

Thank you for being such a good boy this year. It makes my heart warm when I see your name along with your friend Brian's on my good list! You know I was just checking it.

I was in the workshop this morning where the elves are very busy getting this year's gifts ready for Christmas Eve. I know you liked that car you received last year. It won't be long now and I will be visiting your home on Christmas Eve, remember you must be asleep before I arrive!

Mrs. Claus and I are so proud of you for helping around the house; I know that is a terrific help. Keep up the good work!

I must get back to checking my good boys and girls list, you know that I must check it twice.

Merry Christmas Billy!

Love, Santa
